Wisden Cricketers of the Century[®] Postal Tribute

Official Wisden Cricketers of the Century Postal Tribute

The West Indian cricketing nation of Grenada honoured the 5 Wisden Cricketers of the Century with a historic release of postage stamps on the 23rd November, 2000.

The stamps are legal tender and are valid for postage in Grenada.

The spectacular series of stamps comes in the form of souvenir sheets depicting individually each of the 5 Wisden Cricketers of the Century, plus a sixth souvenir sheet with all five players on one sheet.

The spectacular photographs, taken from both recent and archival collections, illustrate specially designed pictorial souvenir sheets and are presented on a series of First Day Covers.

Part of the collection, comprises a series of covers that contain a single stamp taken from the souvenir sheet. These 'individual' covers contain, on the reverse, details of the highlights of that particular cricketer's career - Thus the history of these great players can be studied, along with the pictorial record of their style and form - Truly a MUST for any cricket fan !

This spectacular series of stamps is available in a variety of forms, as set out below, depicting each of the 5 Wisden Cricketers of the Century, individually, plus a composite of all five players.

LIMITED EDITION! Australian Gold Medallist First Day Covers

The release of the stamps commemorating the gold medal wins of the Australian athletes at the Sydney Olympics, produced a rather unique, difficult, situation for collectors.

In the past, it has been the practice of Australia Post to issue a specially designed cover to which the appropriate stamp issue is attached, which is then cancelled on the day of issue of that particular stamp.

The Olympic Games, however, created an entirely different set of circumstances brought about, primarily, by the *official* rights to produce first day covers being sold to a private company that produced a limited number of sets of covers (only approx. 2,000 sets were available) to be sold at, what we believe to be, a very high price (in the order of \$500 to \$1,000!) that put them out of reach of most collectors.

Whilst Australia Post did not issue *official envelopes* for the Gold Medal Stamps, they did *service Gold Medallist and Opening Ceremony* stamps which were attached to the official Olympic Sports envelopes. These were then postmarked, with the official Australia Post *First Day of Issue* cancellation, bearing the relevant day of issue of the affixed stamp.

To satisfy the needs of **all** collectors of first day covers, we have been able to obtain a limited number of sets of covers, featuring all 16 Gold Medal winners **plus** the Opening Ceremony issue featuring Cathy Freeman. These covers retail at a moderate retail price of \$59.95 per set.

As the number of sets of covers is truly limited, we urge that you complete the order form (overleaf) and return it to us, without delay, as this may be your last chance to maintain the completeness of your collection.
